

MERLIN GREEN - GARAGE & GATE REMOTE DELETION PROCEDURE

IMPORTANT: This procedure is only to be carried out if the garage/gate belongs to a private house. This will erase all working remote controls and is not to be carried out on a public or shared garage/gate.

1. Locate red 'Learn' button or any button marked 'Learn'.
2. Press and hold 'Learn' button for 10 seconds.

Figure 1

'Learn' button is located under this green cover

Figure 2

Remove light cover followed by green cover (as shown in Figure 1)
